

Welcome to the Resistance

If you're reading this, then you have begun your journey for the *truth*.

Due to the Institute it has been necessary to hide our path.

However a true field agent who has begun this journey should be able to put together the pieces to find the truth of why we have gone rogue.

By finding this document you've already shown that you have the skills required.

The next phase is for you to download the zip file at this link (it will not preview as it is a zip file).

https://drive.google.com/file/d/1kMb4P_LYv64sezzc8pwIPfEW0ivycpoW/view?usp=sharing

Unzip the file with Python and you will find a text file with the instructions you need to follow for the next phase.

Be careful and go with Grace.
